**Important Tax Notice to U.S. Investors**

This statement is provided for Investors who are United States persons for purposes of the U.S. Internal Revenue Code of 1986, as amended ("IRC") and the regulations thereunder. It is not relevant to other Investors.

MD Fossil Fuel Free Bond Fund (the “Fund”) may be deemed to be classified as a Passive Foreign Investment Corporation ("PFIC") as defined in Section 1297(a) of the IRC for the year ended December 31, 2019.

We recommend that all U.S. taxpayer clients consult a tax advisor concerning the overall tax consequences of their ownership of the Fund and their U.S. tax reporting requirements. You can also find information on U.S. tax rules applicable to investments in a PFIC on the IRS website, www.irs.gov, by searching “Form 8621 Instructions”.

Please find below a Passive Foreign Investment Company ("PFIC") Annual Information Statement ("AIS") for the Fund. The PFIC Annual Information Statement is being provided pursuant to the requirements of Treasury Regulation §1.1295-1(g)(1). The PFIC AIS contains information to enable you, should you so choose based on the advice of your tax advisors in light of your personal tax circumstances, to elect to treat the Fund as a qualified electing fund ("QEF").

Generally, an election is filed for each mutual fund on which you wish to make a QEF election. If you hold an MD Investments fund that holds one or more underlying funds, you will receive combined PFIC AISs containing information that will enable you to elect to treat any or all of the funds as a QEF as you choose, as well as information relating to your securities and values in your indirect holdings.

Please be aware that cash and property distributions reported on the PFIC AIS are converted into U.S. dollars based on the U.S. Federal Reserve spot rate in effect on the date the distribution is paid. We recommend that clients who do not file U.S. federal income tax returns on a cash basis consult tax advisors regarding the appropriate U.S. dollar conversion rate.

Note that the information attached with this letter is intended to help you make one or more QEF elections, if you decide to do so, and neither such information nor this letter constitutes tax advice. The taxpayer should seek advice based on the taxpayer’s particular circumstances from an independent tax advisor.

If you have any questions regarding this matter, please contact your MD Advisor* and/or, a U.S. tax advisor or go to [md.ca](http://md.ca) for more information. Thank you for investing in MD Funds.
1) This Information Statement applies to the taxable year of the Fund for the year beginning January 1, 2019, and ending on December 31, 2019.

2) The per-unit per-day amount of ordinary earnings and net capital gains for each Series of the Fund for the period specified in paragraph (1) is as follows:

<table>
<thead>
<tr>
<th>Series</th>
<th>Ordinary Earnings (US$)</th>
<th>Net Capital Gains (US$)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Series A</td>
<td>$0.00066324</td>
<td>$0.00015723</td>
</tr>
<tr>
<td>Series D</td>
<td>$0.00076935</td>
<td>$0.00016444</td>
</tr>
<tr>
<td>Series F</td>
<td>$0.00088666</td>
<td>$0.00016571</td>
</tr>
<tr>
<td>Series I</td>
<td>$0.00086439</td>
<td>$0.00015678</td>
</tr>
</tbody>
</table>

To determine your pro-rata share of the amounts above for the taxable year, multiply the number of units you held on each day of the year by the per-unit per-day ordinary earnings and net capital gains figures, and then add the resulting sums for each day.

Example: You owned 100 units of Fund A from the period January 1, 2019, through June 30, 2019. On July 1, 2019, you purchased another 100 units of Fund A. You did not sell any units of the Fund at any time during the year. Fund A’s ordinary earnings were $0.00050 per-unit per-day and Fund A’s net capital gains were $0.00025 per-unit per-day.

Result: Your ordinary earnings for 2019 are ($0.00050 * 181 days * 100) + ($0.00050 * 184 days * 200) = $27.45 and your net capital gains for 2019 are ($0.00025 * 181 days * 100) + ($0.00025 * 184 days * 200) = $13.73

3) The per unit amount of cash distributions^1 and property distributions for each Series of the Fund for the period specified in paragraph (1) is as follows:^2

<table>
<thead>
<tr>
<th>Series</th>
<th>Property Distributions (US$)</th>
<th>Cash Distributions (US$)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Series A</td>
<td>$0.12770120</td>
<td>$0.00000000</td>
</tr>
<tr>
<td>Series D</td>
<td>$0.16880868</td>
<td>$0.00000000</td>
</tr>
<tr>
<td>Series F</td>
<td>$0.19847663</td>
<td>$0.00000000</td>
</tr>
<tr>
<td>Series I</td>
<td>$0.20034742</td>
<td>$0.00000000</td>
</tr>
</tbody>
</table>

^1 Cash distributions only represent distributions in U.S. currency. Distributions in Canadian currency are reported as property distributions for U.S. tax purposes.

^2 Distributions represent average distributions that are not reinvested in the fund. If you have elected to reinvest your distributions, the above amount may not be reflective of the actual distribution amount you received during the year. If you have made a QEF election, your basis in your fund securities is based on your investment in the fund before the election, plus your share of ordinary earnings and/or net capital gains less the actual distributions you have received during the year. You should consult your U.S. tax advisor to determine your basis in the fund securities during the year.
To determine your pro-rata share of the amounts above, multiply the amounts by the number of units of each Series you held during the year.

i. If you owned the same number of units from January 1, 2019, through December 31, 2019, multiply the number of such units by the amounts above.

ii. If you did not own the same number of units from January 1, 2019, through December 31, 2019, multiply the number of units you owned by the amounts above as well by the number of days the units were held in 2019 and divide the result by 365.

4) The Fund will, upon receipt of a request, permit you to inspect and copy its permanent books of account, records, and other such documents as may be maintained by the Fund to establish that the ordinary earnings and net capital gains are computed in accordance with U.S. income tax principles under IRC Section 1293 and to verify these amounts and the U.S. Investor’s pro-rata share thereof.
